**Andrew Stream, Acting YR President**

August, 2007

Michael Cucinotta, Corresponding Secretary

## The President's Message

Well there have been a lot of changes during the summer months. **Mike Kaplan** recently resigned as our president to pursue a job opportunity in the nation's capital.

The State YRs recently elected **Chris Dziejczic** of Broome County as chair and our friend/neighbor **Lynn Krogh** of Queens County as vice chair. Plus the National Committee (YRNF) has a new chairwoman, **Jessica Colon** of Texas.

We wish everyone the best in all of their new positions.

The Nassau YRs have been hard at work. I have directed our 2<sup>nd</sup> VP Kathleen Hunker to reorganize our **membership committee**. I also encourage all members to attend more meetings throughout the year and **bring your Republican friends**.

We are also dedicated to a Republican victory this November as our county, town and city officials face the voters in all corners of the county. There are also various judgeships standing for election. These posts are equally important as our governor and our president.

I urge everyone to become more involved in these races. If you are willing, please email us at [GoGOP@NassauYRs.com](mailto:GoGOP@NassauYRs.com) with your contact info and availability.

Sincerely,

**ANDREW STREAM**  
*Acting President*
